

Please note that any amendment made to the retention fee for 2018 will have an overall impact on the total fee chargeable. We have used the proposed 2018 retention fee to calculate the figures in the table below, but this could be subject to change following a decision on the retention fee for 2018 itself. We have also calculated the total that will be paid depending on the quarter of the year in which the applicant applies. The proposed fee structure will take effect from 1 January 2018.
