Investigations Rules

1. These Rules were made by the Board on 29 November 2018 under Section 23 and Part III of the First Schedule to the Architects Act 1997. They came into force on 1 February 2019 and replace the Rules made by the Board on 20 July 2012.

Interpretation

2. In these Rules the following words and phrases shall, except where the contrary intention appears, have the meanings assigned to them below:

“the Act” means the Architects Act 1997;

“Appointed Members” are non-architect members of the Board appointed pursuant to paragraph 3 of Schedule 1 to the Act;

“Board” means the Architects Registration Board;

“Expert Advisor” means a person instructed pursuant to Rule 8 to provide expert advice considered relevant to any investigation;

“Investigations Panel” means the Panel of that name appointed under Rule 4(c);

“Inquirer” means a person appointed under Rule 5;

“Register” means Part 1 of the Register of Architects established under the Act. It excludes any architect who is registered in Part 2 of the Register or on the list of visiting EEA architects;

“the Reviewer” is a person appointed by the Registrar, who is independent of the Board, to conduct a third party review of process;

“Registered Person” is a person whose name is on Part 1 of the Register;

“the Registrar” is the person appointed by the Board as the Registrar of Architects;

“the Investigations Secretary” is the employee of the Board appointed by the Registrar to act in that role from time to time;

“the Presenter” is a person (who need not be legally qualified) of that title appointed by the Registrar including a person appointed in substitution for a person previously appointed.

3. The Interpretation Act 1978 applies to these Rules as if they were an Act of Parliament.

Persons appointed to investigate under section 14(1) of the Act

4. a. The Board will appoint a minimum of six persons (“Investigations Pool Members”) from time to time as eligible to be persons appointed to Investigations Panels for the purpose of section 14(1) of the Act.
- b. Investigations Pool Members shall include both persons who are Registered and persons who are not. No person who is a member of the Board or the Professional Conduct Committee may be an Investigations Pool Member.
- c. Subject to Rule 6 the Investigations Secretary will appoint either three or five Investigations Pool Members to form an Investigations Panel in respect of each case in relation to which investigation is required under Section 14(1) of the Act. The Investigations Secretary may appoint additional or replacement Investigations Pool Members to any Panel at any time but not so that the number of Panel members exceeds five.
- d. Each Investigations Panel will contain at least one Investigations Pool Member who is a Registered Person and a majority of Investigations Pool Members who are not Registered Persons. The Investigations Secretary will designate for each Panel one of its number to serve as its Chairman.
- e. Each Investigations Panel will meet in private and not receive oral representations or evidence unless exceptionally it is necessary in the interests of justice to do so.
- f. The decisions of each Investigations Panel will be by majority and it will not be required for members of the Panel to deliberate in each other’s presence unless Panel members consider it necessary to do so.

Inquirers

5. The Registrar may (in consultation with the Investigations Panel) appoint an Inquirer drawn from a Panel of persons constituted for that purpose.

Action by the Registrar

6. Where an allegation is made that a Registered Person is guilty of:
 - a. unacceptable professional conduct (that is, conduct which falls short of the standard required of a Registered Person); or
 - b. serious professional incompetence,

or it appears to the Registrar that a Registered Person may be so guilty, the Registrar may carry out such investigations pursuant to section 14(1) of the Act and obtain such advice as the Registrar sees fit and if it then appears to the Registrar that a Registered Person may be so guilty, the Registrar shall refer the matter to an Investigations Panel.

Action by the Investigations Panel

7. The role of the Investigations Panel is to decide whether cases referred to it by the Registrar under Rule 6 of these Rules:
 - a. require further investigation or advice; or
 - b. shall be referred to the Professional Conduct Committee by way of a report by the Presenter; or
 - c. require cautionary advice, if appropriate, as to the Registered Person's future conduct and/or competence; or
 - d. require no further action.
8. If the Investigations Panel, before it reaches a decision, considers that further investigation or advice is required it will give appropriate directions to the Registrar including, where appropriate, for instructions to be given on its behalf to an Inquirer, the Presenter, or to an Expert Advisor.
9. Before finalising its decision under Rule 7, the Investigations Panel will, as appropriate, invite written representations from the Registered Person in relation to whom a case is being considered and any complainant (the parties). Where it considers it appropriate to do so, the Investigations Panel may (in accordance with criteria set out in guidance published by the Board) make a preliminary decision in relation to the matter set out in Rule 7. Any preliminary decision shall be provided to the Registered Person and any complainant with an invitation to submit written representations or further representations to be taken into account before a final decision is made.
10. The Investigations Panel will notify the parties in writing of the reasons for a decision reached under Rule 7 of these Rules.
11. In deciding whether or not a case should be referred to the Professional Conduct Committee, the Investigations Panel shall consider whether there is a case to answer, taking into account whether the evidence provides a realistic prospect of a finding of unacceptable professional conduct and/or serious professional incompetence and whether it is in the public interest for the case to proceed.

Action in respect of a criminal conviction

12. If it appears to the Registrar that a Registered Person has been convicted of a criminal offence which has a material relevance to the fitness of that Person to practise as an architect, the Registrar shall (if necessary) cause the facts to be investigated, and a report made to the Professional Conduct Committee.

Reconsideration

13. Any decision of the Investigations Panel either following consideration or reconsideration shall be reconsidered by it if the Registrar requests such a reconsideration. Such a request shall be made in writing on the basis of advice by the Presenter or the availability of new evidence. A decision of the Investigations Panel shall be deemed provisional and not a decision within section 14(2) of the Act until a report to the Professional Conduct Committee has been made.
14. On a reconsideration the Investigations Panel is to decide whether the case being reconsidered:
 - a. requires further investigation or advice; or
 - b. shall be referred to the Professional Conduct Committee by way of a report by the Presenter; or
 - c. (if a report to the Professional Conduct Committee has already been made) a further report to the Professional Conduct Committee should be made by the Presenter or that no further report should be made; or
 - d. requires cautionary advice, if appropriate, as to the Registered Person's future conduct and/or competence; or
 - e. requires no further action
15. Any further report to the Professional Conduct Committee shall indicate the result of the reconsideration and any changes in the Investigations Committee's view of the case to be answered by the Respondent. Following receipt of a further report the Chair to the Professional Conduct Committee may make such directions under Professional Conduct Committee Rule 10 as he or she considers appropriate.

Third Party Review

16. Where the Investigations Panel has decided that a case should not be referred to the Professional Conduct Committee, and the complainant or architect is dissatisfied with the process by which that decision has been reached, that person may request a third party review of that process.

A request for an independent third party review of process must be made within 30 days of the date of the written notification of the Investigations Panel's decision not to proceed to the Professional Conduct Committee. Upon receipt of a request for a review that meets the criteria set out in published guidance, the Registrar will appoint an independent third party ("the Reviewer"), who will conduct a review of the process in accordance within the Terms of Reference published by the Board from time to time.

The Reviewer will submit a report to the Registrar, who will send it to the Investigations Panel and to the relevant parties within the timescale specified. The Investigations Panel may consider its content and decide whether to:

- a. review its decision in light of any deficiency in its process (where it has the power to do so); or
- b. take no further action, giving reasons to the Registrar and relevant parties.

Powers of the Registrar and of an Inquirer and of the Presenter

17. Under these Rules the Registrar, an Inquirer or the Presenter shall each have power to call upon any Registered Person to produce such information, books, papers, records and plans as they consider necessary for discharging their functions under these Rules, and to permit the inspection of such information, books, papers, records and plans at the business premises of the Registered Person and, where necessary, to permit any copying (at the Board's expense); and every Registered Person must promptly, fully and frankly comply with any requirement made upon them under this Rule.

This requirement shall not apply to any information in relation to which the Registered Person is entitled to legal professional privilege or the disclosure of which would constitute an offence.

Reports to the Professional Conduct Committee

18. A report to the Professional Conduct Committee under Rule 7 shall set out the relevant facts and incorporate:
- a. a charge that a Registered Person is guilty of unacceptable professional conduct and/or serious professional incompetence, accompanied by a copy of any written statement or other document or plan that it is intended to adduce against them, together with the name and address of any witness whom it is intended to call in person before the Committee and a summary of what that witness is expected to say; or, as the case may be;
 - b. a charge that a Registered Person has been convicted of a criminal offence, other than an offence which has no material relevance to their fitness to practise as an architect, accompanied by a certificate or other evidence of the conviction.

Transitional Provision

19. These Rules shall apply to any business of the Investigations Panels which takes place on or after these rules came into force.

 - b. The Board may, in accordance with such rates of allowances as it may from time to time fix, pay attendance fees to and reimburse the members of the Professional Conduct Committee for any travelling and subsistence expenses they have incurred in respect of attendance at meetings of the Committee.

Action upon receiving a report

5. a. Upon receiving a report the Chair of the Professional Conduct Committee shall designate:
 - (i) three or more members of the Professional Conduct Committee as a Hearing Panel to consider the Charge at a hearing. If the Chair of the Committee does not designate himself or herself, he or she shall appoint one of the members to act as the Chair for the purpose of the hearing. A further report shall be dealt with by the members designated in relation to the previous report;
 - (ii) three further members of the Professional Conduct Committee as a Consent Order Panel to consider any Proposed Consent Order in relation to that Charge
- b. No member of the Professional Conduct Committee who was a member of the Investigations Pool when it considered the conduct of a Registered Person shall be designated either as a member of a Hearing Panel or as a member of a Consent Order Panel to consider a Charge against that person arising out of the consideration by the Investigations Pool.
- c. No member of the Professional Conduct Committee appointed to a Consent Order Panel to consider a Proposed Consent Order shall be designated to a Hearing Panel to consider the same matter at a hearing.
- d. If at any time the Chair of the Professional Conduct Committee is of opinion that it is for any reason impracticable for the hearing of a Charge to be completed by the members designated the Chair may designate further members to hear that Charge afresh. This is subject to paragraph c.
- e. If a Charge is re-heard pursuant to the previous paragraph, any of the members originally designated may be designated again.

Notice of the hearing

6. a. Not less than 49 days before the date of first hearing of a Charge by the Hearing Panel written notice of the date, time and place of the hearing shall be served upon the Respondent. Such notice shall be accompanied by:
 - (i) a copy of the report; and
 - (ii) a copy of these Rules
 - b. In the case of a Charge arising out of a complaint a copy of the notice shall be sent to the person who made the complaint informing him that he or she may attend the hearing.
 - c. The provision of any further report shall be in accordance with directions made under Rule 11.
7. The Presenter shall not less than 35 days before the date set for the hearing serve upon the Respondent or his or her legal representative:
 - a. a copy of any written statement or other document or plan (which has not previously been provided) that he or she intends to adduce in evidence at the hearing;
 - b. the name and address of any witness whom he or she intends to call in person before the Hearing Panel and a summary of what that witness is expected to say.

Respondent's response

8. Within 21 days of receipt of the notice referred to in Rule 6 the Respondent shall give to the Presenter written notice of whether he or she intends to appear at the hearing and, if he or she is to be legally represented, the name and address of his or her legal representative and brief particulars of any defence.
9. If the Respondent intends to plead not guilty then not less than 21 days before the date set for the hearing the Respondent shall serve upon the Presenter:
 - a. particulars of the defence;
 - b. a copy of any written statement or other document or plan that he or she intends to adduce in evidence at the hearing;
 - c. the name and address of any witness whom he or she intends to call in person before the Hearing Panel and a summary of what that witness is expected to say.

Such notice may be given by being sent by letter addressed to the Presenter at the registered offices of the Board or at any other address given for this purpose in the notice served under Rule 6 of these Rules.

Adjournment

10. a. The Hearing Panel (or the Chair of the Hearing Panel or of the Professional Conduct Committee on a day prior to the relevant hearing) may adjourn any hearing at any time if they consider that it is appropriate to do so. Written notice of the date, time and place of the adjourned hearing shall be served upon the Respondent.
- b. If a copy of the notice of the original hearing was sent to a person who made a complaint a copy of the notice of the adjourned hearing shall be sent to that person also.

Pre-trial directions

11. At the request of the Presenter or a Respondent or at his or her own volition the Chair of the Hearing Panel or of the Professional Conduct Committee may give such interlocutory directions for the just, expeditious and economical disposal of the case as the Chair sees fit, so, however, that the effects of the directions are not contrary to the Act or unfair to the Respondent.
12. The Chair may direct that the parties participate in a case-management meeting, each party having previously given such written notice as may be directed of any applications a party wishes to make or directions proposed including directions which are proposed by agreement between the parties.
13. Either party may apply to the Chair of the Hearing Panel for permission to adduce expert evidence but expert evidence shall be restricted to that which is reasonably required to resolve the proceedings. No expert evidence may be adduced without permission. Any expert shall have an overriding duty to the Hearing Panel and it will be their duty to help the Panel on matters within their expertise. This duty overrides any obligation to the person from whom experts have received instructions or by whom they are paid. The Chair shall give directions as to the provision of a written report to the other party, any evidence in reply and the giving of oral evidence.

Non-appearance of the Respondent

14. a. If the Respondent fails to appear in person or by his or her legal representative at a hearing or adjourned hearing of a Charge the Hearing Panel may, if satisfied that the Respondent has been given an adequate opportunity to appear before the Hearing Panel to argue his or her case and has provided no sufficient reason for non-attendance, hear the case in the Respondent's absence.
- b. If the Hearing Panel considers the charge(s) proved in the Respondent's absence it may exercise its powers under Section 15 of the Act.
- c. A notice under this Rule or under Rules 6 or 8 of these Rules may be served by being sent by post to the Respondent's regular business address (that is, to the address entered in the Register in accordance with Section 3 of the Act), or to the address of his or her legal representative.
- d. At any time within 28 days of the sending of notice of the decision of the Hearing Panel a Respondent who has neither attended nor been represented at the hearing of his or her case may apply to the Professional Conduct Committee for a rehearing by a sworn statement or affirmation setting out the facts and exhibiting medical or other evidence upon which he or she wishes to rely. If the Professional Conduct Committee is satisfied that the Registered Person has not had in the circumstances an adequate opportunity to appear before the Hearing Panel to argue his or her case and that it is just to do so, it may direct a re-hearing upon such terms as it thinks appropriate. The Chair of the Professional Conduct Committee shall designate three members to hear the Charge(s) none of whom had conducted the previous hearing, or been part of a Review Panel in relation to the case. Any decision of the Hearing Panel shall stand until a new hearing is convened.

Evidence and proof

15. a. The Hearing Panel shall not be bound by the judicial rules of evidence but may receive such oral, documentary and other evidence as appears to it to be relevant to the case, provided that the Hearing Panel shall not receive evidence that would not be admissible in a court of law if it would be unjust to the Respondent so to do.
- b. Neither party shall, without the consent of the other or the permission of the Hearing Panel, call a witness or adduce evidence that was not referred to in a notice served on the other before the hearing in accordance with these Rules.
- c. Subject to the provisions of any enactment or rule of law, the evidence of a witness in person shall be given on oath.
- d. In determining whether a charge of unacceptable professional conduct or serious professional incompetence has been proved the Hearing Panel shall take into account any failure by the Respondent to comply with any provision of the Code of Professional Conduct and Practice issued by the Board under Section 13 of the Act.
- e. The burden of proving a charge shall lie upon the Presenter. The Hearing Panel shall apply the civil standard of proof.

Variations of these Rules

16. a. Provided that the proceedings are fair to the Respondent and not contrary to the Act:
- (i) no objection shall be upheld to any technical fault in the charge or the proceedings; and
 - (ii) the Hearing Panel may vary any provision of Rules 18-20 of these Rules.
- b. The Hearing Panel may permit the amendment of a Charge, but if such an amendment is permitted and the Respondent has been materially prejudiced he or she shall be entitled to an adjournment.

Joinder

17. Except where it appears to it that it would not be in the interests of justice to do so, the Hearing Panel may hear Charges against two or more Respondents at the same time and two or more Charges against a Registered Person at the same time.

Plea

18. a. The proceedings shall begin by the Respondent, if present, being asked whether he or she pleads guilty or not guilty to the Charge.

b. If the Respondent is not legally represented he or she may first be asked whether he or she admits all or any of the facts alleged in the report.

Order of proceedings on a plea of not guilty etc.

19. a. This Rule prescribes the order of proceedings upon a plea of not guilty or if the Hearing Panel is proceeding under Rule 10 of these Rules in the absence of the Respondent and his or her legal representative.
- b. The hearing shall begin by the Presenter outlining the case against the Respondent and calling any witness in person and producing any other evidence.
- c. After the evidence against the Respondent has been called the Respondent shall be entitled to submit that he or she has no case to answer. The Presenter shall be entitled to respond to such a submission. If such a submission is upheld the Professional Conduct Committee Hearing Panel shall dismiss the Charge. If it is not, the proceedings shall continue as set out below.
- d. The Respondent shall then be entitled to call any witness, give evidence on his or her own behalf and adduce any other evidence.
- e. The Presenter shall then be entitled to call witnesses and adduce evidence in rebuttal of any part of the defence case.
- f. Any witness called in person by a party may be cross-examined by the other party and, if cross-examined, re-examined by the party calling him.
- g. Following the conclusion of the evidence the Presenter followed by the Respondent shall be invited to make closing submissions.
- h. The Hearing Panel shall, as soon as practicable after the conclusion of the hearing, announce whether it finds the Respondent guilty or not guilty.

Procedures on a plea of guilty and after a finding of guilt

20. a. Upon a plea of guilty the Presenter shall inform the Hearing Panel of the case against the Respondent in accordance with his or her instructions.
- b. Upon a finding of guilt or a plea of guilty the Presenter shall inform the Hearing Panel and the Respondent of any circumstances known, whether adverse or favourable to the Respondent, that might be relevant to any order which the Hearing Panel might make under the Act or if appropriate that there are no such circumstances.
- c. If on a plea of guilty the Respondent's version of the facts is in the opinion of the Hearing Panel significantly different from that presented by the Presenter the Chair shall invite the parties to call evidence to resolve the issue.
- d. The Respondent shall be entitled to address the Hearing Panel in mitigation of penalty and for this purpose may call witnesses and adduce evidence.
- e. The Presenter shall be entitled to respond to an address in mitigation and to cross-examine any witness called in person in mitigation only:
- (i) at the request of the Hearing Panel;
 - (ii) in order to correct any contested statement of fact; or
 - (iii) on the subject of the Hearing Panel's powers.
- f. The Hearing Panel shall thereupon consider whether and, if so, how to exercise its powers under Section 15 of the Act and shall announce any penalty or other order as soon as practicable thereafter.
- g. The Hearing Panel may at any time prior to the provision of the information referred to in sub-paragraph 20(b) above (but not subsequently) permit further representations to be made in relation to its findings and may thereafter reconsider its findings if exceptionally the Hearing Panel considers that such representations could not have been made earlier and that it is necessary and appropriate to do so in the interests of justice.

Public hearing

21. a. A hearing of the Professional Conduct Committee shall be conducted in public unless, in the interests of justice or for other reason specified in Article 6 of the European Convention of Human Rights and Fundamental Freedoms, the Committee directs that all or part of the hearing shall be conducted in private.
- b. An application that all or part of a hearing shall be conducted in private shall be heard in private.
- c. If the Hearing Panel makes a direction that a hearing shall be conducted in private the direction shall be strictly confined to so much of the hearing as is necessary for the reason referred to in paragraph a. of this Rule.

Recording

22. A recording shall be made of the proceedings of a Hearing Panel and a copy or transcript of such recording shall be provided to the Respondent upon his or her written request and on receipt of the costs thereof.

Reasons

23. The Hearing Panel shall provide the Respondent with written reasons for its decisions as soon as practicable after the hearing.

Consent Orders

24. At any time after a report has been served upon the Respondent in accordance with Rule 6 but not less than 42 days before the date fixed for the hearing of the Charge, the Presenter may serve on the Respondent a Proposed Consent Order in Form A setting out terms upon which it is proposed that the case may be concluded with the consent of the Respondent.
25. The Respondent may within 14 days of the date when the Proposed Consent Order was sent to him or her (subject to any extension of time agreed in writing by the Presenter), confirm in writing to the Presenter:
 - a. that the Respondent accepts the matters set out in the Proposed Consent Order and agrees to the terms of disciplinary order, if any, therein; and
 - b. that he or she does not require the opportunity to argue his or her case at a hearing before the Professional Conduct Committee.
26. Where the Respondent does not confirm within 14 days his or her consent to the Proposed Consent Order in accordance with Rule 25, the Proposed Consent Order will be regarded as withdrawn and the case must proceed to be considered at a hearing in accordance with the procedure in Rules 8-20.
27. Where the Respondent has given the consent referred to in Rule 25, the Presenter must refer the Proposed Consent Order to the Consent Order Panel.
28. The Consent Order Panel must make such arrangements as it considers appropriate to decide whether to approve or reject the Proposed Consent Order, provided that:
 - (i) such arrangements must not involve a hearing in the presence of the parties;
 - (ii) such arrangements need not require the members of the Consent Order Panel to deliberate in each other's presence, unless they consider it necessary to do so;
 - (iii) the Consent Order Panel must consider and reach its decision in relation to the Proposed Consent Order within 21 days of receipt.

29. In deciding whether to approve or reject the Proposed Consent Order the Consent Order Panel must have regard to its powers under Section 15 of the Act and the public interest.
30. The decision of the Consent Order Panel is to be by majority vote.
31. Where a majority of the Consent Order Panel does not approve the Proposed Consent Order, it will be regarded as rejected and will not be effective.
32. As soon as reasonably practicable after reaching its decision the Consent Order Panel must inform the Presenter and the Respondent of its decision in writing.
33. Where Rule 26 (Proposed Consent Order not consented to by the Respondent) or Rule 31 (Proposed Consent Order rejected by the Consent Order Panel) apply the Charge must proceed to be considered by a Hearing Panel at a hearing, in accordance with the provisions of Rules 8 to 20 of these Rules.
34. Where Rule 26 or Rule 31 apply, the terms of the Proposed Consent Order and any discussions relating to it between the Presenter and the Respondent shall remain confidential and shall not be made known to the Hearing Panel designated to hear the Charge under Rule 5a(i), nor to any subsequent hearing panel appointed to hear the Charge [unless the Respondent chooses to bring it to its attention]
35. A Consent Order, including any disciplinary order made, will be published in accordance with the Board's usual arrangements for publication, unless the Consent Order Panel expressly determines otherwise.

Transitional provision

36. These Rules shall not apply to proceedings in which a Report under Rule 5 is received before the date on which these rules came into force and those proceedings shall be subject to the Professional Conduct Committee Rules which came into force on 1 January 2015 as if they had not been revoked.
