

Commission on Professional Practical Experience

Organisations the Commission engaged with

The Commission is grateful to every individual and organisation who took the time to meet with them and share their views. This was invaluable in helping them build their evidence and develop their recommendations. This included those who responded to the call for evidence, hosted the Commission's in-person visits, spoke to them during online sessions or who took part in their Expert Reference Group.

The organisations included:

Learning providers

- Standing Conference of Schools of Architecture (SCOSA), representing schools of architecture
- Bath Spa University*
- Cardiff University
- Cardiff Metropolitan University
- Central Saint Martins
- Centre for Alternative Technology
- De Montford University
- London School of Architecture**
- London South Bank University
- Manchester School of Architecture
- University of Cambridge
- University of Dundee (with trainees)
- University of Portsmouth (with trainees)
- University of Sheffield (with trainees)
- University of Wales Trinity Saint David
- University of Westminster** (with trainees)
