## 4 HKIA Confirmation

Having received your certificate, you must send it to HKIA, along with your request for recognition of your qualification or qualifications. HKIA will inform you of the next steps you need to take to progress your study or to go on to join the Hong Kong Register of Architects.

If you have had an ARB-accredited Part 1 qualification recognised only, you will need to complete a HKIA-accredited master's level qualification and HKIA/ARBHK Professional Assessment (PA) to be eligible to make an application to join the Hong Kong Register.

If you have had ARB-accredited Part 1 and Part 2 qualifications recognised, you will only need to complete the PA to be eligible to make an application to join the Hong Kong Register.
